

Julie Morin: I put the Lip Balm on before going to bed, and I still have some on when I wake up in the morning! It is moisturizing and lasts long. I LOVE it!

Krystal Lorenz: The Lip Balm has a divine smell and is not waxy like other brands if you put too much on. I'm an avid lip balm user, and this stuff works!

Stephanie Bjurstrom: I do not have sensitive skin; however, for some reason, I do have sensitive lips. Even the "natural" lip balms/chap sticks irritate my lips and make them burn, but the Norwex Lip Balm soothes my lips and keeps them feeling soft. I also appreciate that it doesn't dry out in the cold weather!

Laura Regehr: I bought the Lint Mitt for a trade show, and when it didn't sell I threw it in my kit. I demonstrated it at a party where the Host owned a dog that slept on her bed. She took the Lint Mitt to her bedroom, and it worked so well she bought two. Demonstrating the product is so important that it is a permanent fixture in my kit now!

Leigh-Anne Donovan: The Lint Mitt made all my winter sweaters look like brand new! Quick and easy to use with great results.

Suzanne Boileau-Sample: The Lint Mitt is an amazing product! I have a dog and a cat that shed—need I say more? Fur on my clothes, fur on my sofas... a quick wipe with the Lint Mitt, and voilà, all the fur and hair are gone! I use the Norwex Rubber Brush to quickly clean the Lint Mitt.
