

Windows/Furniture

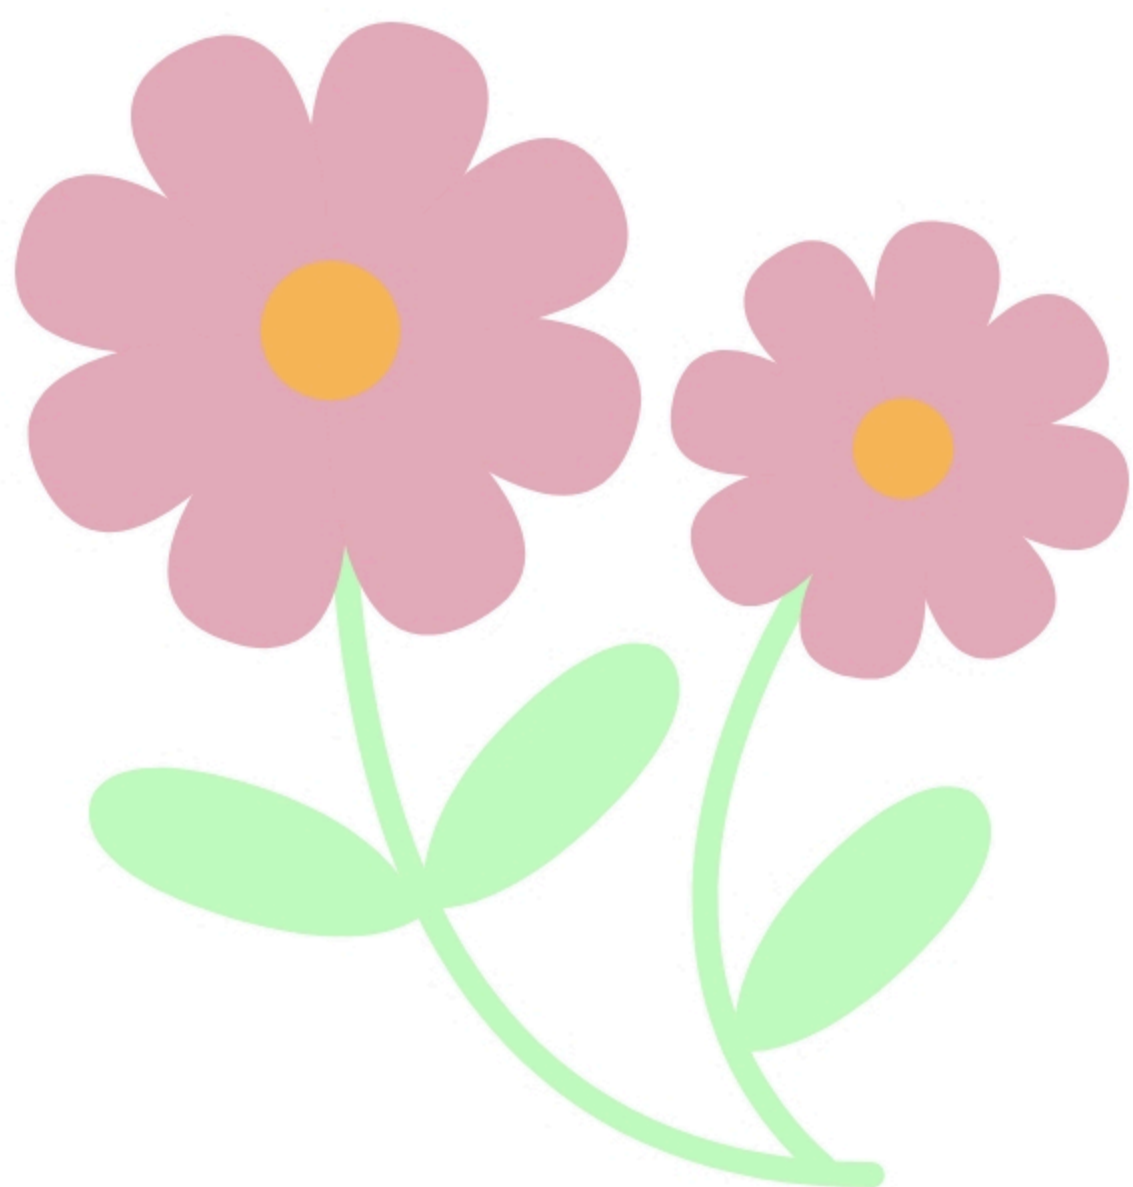

- For both... use a bucket of warm water to rinse and repeat... wipe with a Damp EnviroCloth, immediately polish with a Window Cloth.
- For hard to reach windows, use the Superior Mop System. Watch YouTube for full instructions.

Garage

- Recycle or donate all items that are no longer needed.
- Use a damp EnviroCloth to wipe down shelving and cupboard doors.
- Give the floor a good sweep.
- Dilute Odour Eliminator 1:7 with water. Spray in garbage cans and recycling containers.
- Knock all cobwebs down with either the mop or Envirowand.

Outdoor

Spring Cleaning Tips

BBQ

- Use Grill & BBQ Cleaner to clean your BBQ Racks. Heat BBQ to 170 degrees, turn off, spray with cleaner, let soak for 5 minutes. Scrub with a Spirinett and wipe clean with a damp EnviroCloth.
- Wipe down the outside of BBQ with a damp EnviroCloth.
- Read the bottle or watch YouTube for full instructions.
