

FEEDING NORTH AMERICA

Noon, CDT, November 1 to noon, CST, December 1, 2019

Grab your Hosts and gather with friends. For every November party you submit, we'll donate \$1 in the fight against hunger!

In the United States...

- 1 in 8 Americans struggles with hunger
- 72 billion pounds of food goes to waste every year

We're working with the third largest non-profit in the U.S., through 200 food banks and 60,000 food pantries and meal programs, to touch the lives of Americans and provide families and individuals with nutritious food as well as hope and dignity.

In Canada...

- Canadians visited food banks 1.1 million times in March 2018
- Of those who rely on the services of a food bank, 35% are children and 45% are single heads of households.

We are proud to work with Food Banks Canada, which has invested \$1.4 million in vital infrastructure to strengthen the food bank network's ability to provide more food (especially fresh food) to Canadians in need.

Help make sure families in need enjoy a happy, healthy holiday.
